LGBTQ+ HEALTH WORKSHOP:
Best Practices in Communicating and Caring for LGBTQ+ Patients

All are welcome to attend in a training on lesbian, gay, bisexual, transgender, queer, or questioning (LGBTQ+) inclusive communication and understanding LGBTQ+ health needs. Through interactive activities, you will learn how to communicate and provide care that is sensitive and inclusive for LGBTQ+ patients and families. You will also learn what to do in workplace settings to advocate for LGBTQ+ health.

Nelson Sanchez, MD
Chair, Weill Cornell Medicine LGBTQ+ Steering Committee
Associate Professor of Medicine, Weill Cornell Medicine,
Memorial Sloan Kettering Cancer Center

Friday, March 20, 2020
2:00 pm - 5:00 pm
Weill Cornell Medicine
1300 York Avenue
2nd Floor, room A-250
